JUDGE PRO TEM SHELLIE SMITH

CLERK OF THE COURT
C. Mabrey
Deputy

IN RE THE MATTER OF
VICTOR D MENDOZA

PATRICK S SAMPAIR

AND

ANGEL BLAUVELT

DENNIS G BASSI

RULING

The Court has reviewed the proposed custody ordered submitted by Petitioner. The Court has also read and considered Respondent's Objection to the Lodged Order and the Response.

The Court finds that the proposed order accurately reflects the parties Rule 69 agreement entered on October 20, 2011.

In his objection, Respondent asks the Court to suspend signing of the order pending resolution of the issues, which appears to be proof of Father's work schedule. The order, however, does address this issue and provides that "If Father does not change his work schedule by December 31, 2011, . . . then Mother shall be designated as the Primary Residential Parent and Father's parenting time will be as described above." The Court finds the order sufficiently addresses the parenting plan as stated on the record October 20, 2011.

As to the drug testing results, Father shall provide the testing results to Mother for the length of time he is participating in the drug screens.
